# Stephan A. Pando

APR 11, 1960 - DEC 12, 2017

**S**tephan Alfred Pando

Born April 11th 1960 our father passed away peacefully in his sleep on December 12, 2017. Born to Alfred (Grandma Vi) and Creselda Pando in Cheyenne, Wyoming.

Steven enjoyed sales and excelled in gym and fitness equipment. He proudly installed universal gym equipment at the Utah state prison in the 19 eighties. He most enjoyed promoting positive attitudes and healthy lifestyles. He believed in our heavenly father and always made sure his loved ones knew they were wanted needed and loved.

In his last words he said,

"Please make sure all the little kids know that they are positive, number one, and a winner! Don't ever let them forget that they are special always and that God loves them and so did we. Please make sure they know that God is everywhere. Anywhere you see something good, there is God. Anywhere you see somebody laughing and having fun, that's me, I'll be there! Anytime you see somebody being grateful and thankful that's me I'm there! Please make sure the little kids know all good things come from Christ! I have always loved you all with all of my heart and soul!"

And if you knew him, I guarantee he has told you this exact thing over and over again! It was near impossible to get away from Steve without him saying God-bless you! His way with words and his crazy sense of humor brightened our lives

He is survived by his wife of 36 years, Pamela Diane Pando, his daughters Lisa, (Josh) Knight, Creselda (Crissy) Pando, Stephanie (Les) Herrera, Kaylie Simmons and his baby boy, Stephen (Brittany) Pando, brother, Mark (Tracy) Pando, nieces, Brittany, Brianna and nephew, Mark Jr.

Steve was also extremely proud to be a grandpa and a great grandpa! From his 1st grandson, Joshua (Sarahi) Madrid who made him a great grandpa twice! Blessing our family with Sergio and

## Obituary

**Cres Pando** posted:

Dad, it's almost been a year since you went home to heavenly father. Man I miss you! This past year has been a struggle for me and Steph dad. We both cry over you and every time we share a memory of you I feel this immense pain in my heart. For 12 years I had to learn how to grow up with you gone and that shit was hard. I was so happy to have you home.... Then bam, I was gone for 2 years. But then I came home and we were able to finally get back to living. ... Then that dreadful morning came and Raynor found your lifeless body in bed. He said you looked so peaceful. When my mom called me with the news I heard my heart bake. You took a piece of me that day Dad. Life isn't the same, food isn't the same, music is not the same, hell everything is different. - I wonder if I will ever feel normal again. I loved you pops.
