# Jonathan Isaac Clements

FEB 26, 1981 - JAN 21, 2018

**J**onathan Isaac Clements was born on February 26, 1981 in Slidell, Louisiana. He passed away on January 21, 2018 in Pocatello, Idaho after a brief illness. Jon was a son, a brother, an uncle, a nephew, and a friend to anyone who needed one. Jon grew up loving sports and building things.

Jon always learned quickly with little effort and could easily conceptualize ideas. He was endlessly curious and was always determined to figure out how things worked, how to build things, and how to fix things. He learned how to sail boats as a teenager, and always enjoyed spending time in and on the water. Jon loved dogs and the most special bond he ever enjoyed was with his dog, Cousin.

Jon was a gentle man who understood pain and suffering. His understanding of the two undoubtedly played a part in forming his personal code of ethics and heightened his empathy for the pain of others. Jon was devoted to lessening the pain of anyone around him, including himself as he tried vigorously and bravely to build the clean and sober life he craved so badly. His strength and talents made him a natural leader. His sly sense of humor, warmth and quick wit made him likeable, fun and a friend to all.

Jon was a good man, trusted and loved by his family and friends.

Jonathan is preceded in death by his grandparents, Fred and Poinsettia Clements, and Glenn and Beverly Lane, and his step-father William Rand Jarvis. Jonathan is survived by his parents William M. and Janell Clements and Christine M. Jarvis; his brothers and sisters, William M. Clements Jr. (Christy), Aimee Clements Hadfield (Jeff), Suzanne Clements, Joseph Clements, Wendy Clements Wright (Chris), James Clements, Douglas Beattie (Irina), Teri Bolton (John), Scott Rice (Sophie), Garrett Rice (Karl), and Cody Rice; and by many nieces and nephews whom he loved very much.

Jonathan will be remembered as dependable, loving, and selfless.  
Jon's life will be celebrated by his family in a private memorial service.

My wife & I did not know Jonathan, but we regret the sorrow you feel - we grieved the lost a son because of an electrical accident who was close in age to your Jonathan. I'm sure it doesn't feel so right now, but we can tell you that as time passes you will be able to remember more of the good times and dwell less on your loss. We found that each person grieves in a different way and at different times, so we encourage each of you to allow for those differences in your families. We are of the Christian faith and as we dealt with our pain we came to understand that God is still sovereign even when we don't understand tragedy. May you find comfort as you walk through this "valley of the shadow of death" and may friends share their good memories of Jonathan with you.

We will miss Jonathan. A super son, brother, uncle, cousin, nephew and friend to all! The few times he visited us in California are fun memories. Fun guy...and funny, too! And we appreciate the way he has always watched out for his mama, Christine Jarvis, through all the ups and downs in life! Love, Uncle Mark and Aunt Diane

Jon wanted very badly to attend college this year and was making plans and preparations to do so. Rather than send flowers, please consider donating to the scholarship fund we are building so that he can share his goal with others. <https://www.gofundme.com/jon-clements-memorial-scholarship>
