# Michael Wallberg

NOV 16, 1965 - FEB 12, 2018

**M**ichael Wallberg passed away on February 12, 2018. Michael fought a courageous health battle for 5 years. He was born November 16, 1965 in Ogden, Utah to Carl and Evelyn Wallberg. Michael went to Ogden Highschool where he graduated. He then met his now wife Christy at a dance club. He and Christy decided to get married January 28th 1994. They have been happily married for 24 years.

Michael was very loving. He cared about his family, loved being in the outdoors either fixing lawnmowers, sitting outside listening to his favorite music, doing outside activities with his family or cruising around on his scooter. He was a very hard worker and spent 25 years working for a utility trailer company. He loved to weld and make new friends. He was always full of stories of what happened that day at work. Michael always had a way to make somebody laugh either by the things he said or some of the things he did. He was an idol to many people. He never believed in giving up. Many people especially his family were amazed at some of the things he was able to accomplish. Michael was dearly loved. He touched the lives of so many people around him. He was taken too soon and will be dearly missed by a lot of people. He left so many fabulous memories in people's lives. He will never ever be forgotten.

He is survived by his wife Christy Wallberg, son Cody Wallberg, daughter Courtany Wallberg, son Austin Wallberg, sister Susan Myers and brother David Wallberg.

Special thanks to CNS home care and hospice for all the love and support.

Funeral services will be held Saturday, February 24th, 11:00 am at Premier Funeral Services, 5350 So. 1950 W. in Roy. A viewing will be held from 10:00 – 11:00 am prior to services. Interment will be at Ogden City Cemetery.

Mike,,The world lost a true, genuine, honest, man. You worked so hard at every task and always made sure for there was no cutting corners. Especially when me and you would power wash. You would always go the extra step and walk around to make sure nothing was missed and if something was you would fix it no matter how small. I remember when Dad passed and you left work immediately and rushed to the hospital. Your face, hands clothes were a sign of just how hard of a working man you were. I would like to share more about my brother's life. Please visit my open to public Facebook page.Thank you,Rest in peace Mike,Your brother,Dave Wallberg
