She always had a smile on her face. My son loved her as his primary teacher and always made sure to give her hugs in the hallways. Such a sweet person 💜

Nanette and I have been friends for 40 years. She was the most loving, crazy funny, and spiritual person I knew. She and Russ went to the Shakespeare festival with me and my husband Roger for 18 years. We tried to meet as often as possible and we will miss her greatly. I find peace in knowing that we will meet again. Judy Johns

Nanette and Russ are the first people that we met when we moved to Pleasant Grove. My parents knew them many years ago from California. Nanette was always so generous and always gave me a smile or a hug when I saw her. We were partners for awhile for activity days. I had so much fun planning activities with her. She truly loved everyone. I will miss her.
