Wow Jimmy I can't believe you are no longer with us. What a loss it will be to our family. I remember when I first met you, we were all kids growing up and you Danny and Pete were larger than life. You and Danny always seemed to be together. Thank you for always coming with Danny to see me. You guys were the best. Thank you for being the wonderful Uncle to my girls when they so needed you. We will never forget that. You've always been the wonderful Father. I've so admired you when we were young for the caring person you were. It's been a long journey for you and I'm so glad you are finally resting and no more pain. I was heart broken when I read of your passing, to think your family and ours has to go on without you. My most Sincere Condolences to you Linda, the family, the Escobia and the Madraza family. Love to all and continued prayers Linda for you at this most difficult time. Aloha Oe Jimmy ❤️❤️❤️❤️🌸🌸🌸🌸
