John "Johnny" Miller 1952-2018

"Always have the strength to live. And if despair enters your heart, look for me in the evenings when the wind is gentle and the owls sing in the hills. I shall be with you ..."

Johnny died after a long battle with cancer. Johnny loved life, blue skies and sunshine. He lived in Bullhead City, Arizona, and loved the the hot temperatures. His favorite thing was to play golf with his buddies and boat on Lake Mohave and the Colorado River. He co-managed Fiesta RV Resort with the love of his life, for thirty -three years, Toni Bonino. People would come from all over the world to stay at the park and Johnny and Toni were the reasons they came back every winter. He called all the people who lived in the park, "his kids."

Johnny was born in St. Mary's PA. He is preceded in death by his father, John Miller and his nephew Tony Bailey. He is survived by the love of his life, Toni Bonino, stepdaughter, Toshia McCartney, his adopted brothers, Joe Bonino (Diane), Perri Bonino (DiAnn), his sister Kathleen Dale (Rick), and nephew Chris Dale (Cindy), and lots of cousins.

We want to thank the doctors and nurses for the exceptional care that Johnny received at the Huntsman Center.
