Today as I was cleaning out my attic, I came across papers that my former students did when I taught at Learning Prep. Adam was one of my best students who always was there to lend a hand. He worked on my "Newspaper Group" and was an amazing student. I found today, a letter of recommendation I wrote for him back in 1999. I then proceeded to look him up on Facebook to see how he was doing. That's when I came across the knowledge of his passing. I only wish I reached out to him sooner. He had given me an Angel when I left LPS. I know now he is looking out for us. My ❤️ Goes out to his family and please know that I am thinking of you! You were blessed with an amazing young man whose life was way too short!

I just found out about Adam's passing, and am heartbroken for him and his family. I worked with Adam at UTA, and he was always positive, upbeat and cheerful. He watched out for and took care of others, and could get along with anyone. He always put others at ease and was a joy to be around. He was a giant of a man. Jessica, Seth and Cameron, you have a wonderful spouse and father, and I know you will be able to be with him again. You are in our prayers.

Whenever we were around Adam, he was so kind and outgoing. In fact, he was one of the most personable and kind people we've been around! He always tried to remember our names and our kids' names, which meant a lot to us. It was clear that he loved his family very much. Being a husband and father were important to him. We look forward to being greeted by him again someday with his awesome Boston accent! All our love to Jessica and her boys from Jenn and Jacob Hicks!!

I had the honor of getting to know Adam through a marketing ad he was working on with Utah State. Although the amount of time that I knew Adam on this earth was only about a year, his friendship felt like much, much longer. Adam was amazing. So kind and respectful. He truly cared about others and went out of his way to offer his help and support. I'm grateful I had the opportunity to know him. He left a huge impression of kindness and love on my heart. He was an instant friend and his loss has absolutely been deeply felt.

I had the pleasure of meeting and getting to know Adam this past school year. I am from the USU Tooele Nursing program and Adam did all of our marketing this year. He was always so kind to us and was always telling us if we needed anything, to never hesitate to reach out to him. Thanks to Adam, our stories were shared through his work and he did an amazing job at it. My deepest condolences to his family, friends and the USU community. He was truly a nice man with a big heart. He will be deeply missed.-Jessica S.

I am so saddened at the news of his passing and send my sincerest condolences. It was a pleasure to work with Adam at UTA. The void he left when he took a position outside of UTA just got bigger. We miss his accent and his fun sense of humor. Adam was conscientious, hardworking and dependable. It was important to him to do a good job. He adored his family and talked about them constantly. He had a strong sense of right and wrong and spoke up against prejudice, racism and bullying of any kind. The world is a better place because of him. Debbie Smart

Adam was always cracking jokes and making you laugh. I always teased him about his accent. He always teased me and Alex about dressing up to go see the Harry Potter movies. We helped each other through a lot. He cared about everyone and would do anything for those he loved. You will be missed.

Adam was so wonderful! He always was so fun and easy to talk to. Adam was always so friendly at family events, he had a personality you were just drawn to. We're going to miss bantering about baseball with him and that AWESOME accent. We helped Jess & Adam move into their home a few years back and he made the night so much fun it didn't feel like we were working at all. Saying he will be missed is a huge understatement! Our thoughts and prayers are with you Jess & your boys. We love you so much! ❤️ Candice & Chris Petty

Our hearts are broken at the loss of this good man - a beloved husband and father and friend to all. Although we did not know Adam well, any time we were in his presence he always brought a cheerful light into the room and seemed to always take a sincere interest in others. We were always so grateful to observe his loving interest in his wife and adoring engagement with his children. Our hearts go out to Jessica and her children with this sudden loss. We pray for her and know our Father in Heaven will watch out for her and the children in the coming days and months ahead. We will miss Adam and know that he has been welcomed home by many who have loved him and preceded him in death. We love the Cades' and pray for every blessing to be upon this home and the lives of affected parents, grandparents, siblings and extended family at this very difficult time. With all of our love and sympathies, Brent & Beverly Ririe and Family
