**Steven Johnston** posted:

Saddened to hear of the passing of my good friend Stephen. I will miss taking you to the sesquicentennial at Promitory Point this May. But know this my dear friend, every time I hear the hiss of escaping steam, or a hogger lays back on the whistle lanyard, and let's that lonesome whistle moan I'll be thinking of you! Yours till we meet in that great rail yard n the sky. Stevie J.
