Jeanette Lenore Schaefer
June 28, 1935-August 10, 2018

If love was enough she would have stayed. Our mother lived fully surrounded by love, laughter, and adventure. She started life in northern California, found love in Wisconsin, made her home among the beauty of Utah, and retired overlooking Bear Lake. As an RN/BSN she touched many lives with care and kindness. Her fondness of the furry creatures, and an appreciation for nature's bounty lives on in her children. She left us with strength, dignity, the ability to giggle through the tough stuff, and most of all love.

A private family wake is planned. In memorium, feel free to pay it forward as you wish. Mom would appreciate the kind act of helping the old guy at the grocery store who looks a little lost, a donation to the local animal shelter, or give to the American Cancer Society in her honor.

Sorry to get this sad news. Jan was my Moms first friend in Cedar Lake Hills. they had such fun. I did alot of babysitting for the Paul, Mark and Tommy (before Jenny came around.) so that Tom and Jan could go out with my parents. My sympathy to the family.
