She was a great person to talk to. She called me "Terrence" one a camping trip years ago. I've tried to keep it going, but to no avail.

I used to sit by Nelda when I first came to Correspondence Exam. I used to get a kick out of how friendly and nice she was when speaking to Taxpayer's. I thought what a helpful Tax Assistor if I called in I hoped I got her on the phone. My condolences to the family she was a good person.
