You'll forever be greatly missed, you impacted my life in so many ways, to being like a father, a good friend or just someone to lean on when things got tough. Not to many people in the world are truly genuine like you are. One of my favorite quotes from Kurt cobain is "I'd rather be hated for who I am, then loved for who I am not." Please say hi to my mom for me. I love and miss you old man (papa)
