C hristopher Keith Royal

October 5th 1973 - September 23rd 2018 (Gone Too Soon)

A lot of things can be said about Christopher but some undeniable facts were his kindness, heart of gold, and undying love. Christopher did not believe in blood is thicker than water he loved both his biological and adopted family he was very proud of all of his adopted nieces and nephews and of course his God son. He loved the outdoors, and spent much of time 4 wheeling, hunting and fishing. He worked as a mechanic for most of his life but also worked in haunted houses sharing his passion for the creepy and weird, what do you expect for someone who was born in October? He was Halloween to The Core, had a twisted sense of humor and a soft squishy center he tried very hard to hide. Many of us saying the same thing "we wish this was one of his pranks and half expect him to pop out of nowhere at any moment".

Christopher is preceded in death by his (Mother) Gloria Simpson Royal and leaves behind (Little sister) Julia Royal, (Brothers) Brian and Jeff Simpson, (God Son) Casey Simpson and countless cousins and adopted family, He is already missed so much.

A memorial service will be held Friday October 5th at 1 p.m. at the Lehi Cabela's conference room located in the back of the camping section all are welcome to attend any questions please call 801-448-9281.
