I have always loved Audrey and after moving out of her neighborhood I have thought of her often. Her smile and laugh and Jokes were infectious. Such a lovely lady. I know she will be having fun where she is now. Love to her family as she will be very missed. Since she is a jokester, watch for little things around you that seem funny, it just might be her!

I will never forget Aunt Audrey going on the Colossus with me. It was Ward Lagoon Day and my mom wouldn't ride it with me because it went upside down. Aunt Audrey screamed and screamed (she was in her fifties!) but I loved that she always showed me how much she loved me!
