Daniel Nelson (Bodi'S Cousin) posted:

Bodi, my dear sweet, caring and loving cousin. Where do I begin, I remember being at grandma Halversons house and sitting in the spare bed room playing Nintendo 64. You were playing against Amber, and Jeremy came flying across the bed and kicked you right in the face. Your head hit the wall and we all laughed. I'm going to miss you cousin, more than you'll ever know! I'll miss seeing you at Grandma Rosalie's house at Thanksgiving and catching up with you. I hope you have found peace and serenity and no longer fighting the demons you were faced with while here on earth. Love you Bod! -Danny.
