Deloris "Dee" Ann Halling

OCT 26, 1938 - NOV 2, 2018

Deloris Halling, known to friends as “Dee”, peacefully passed away on November 2, 2018 at home surrounded by family, after valiantly battling a rare cancer that wore her physical body down.

Mom was born on October 26, 1938 in Goodwell, OK and grew up in Albuquerque, NM. She was sealed to her sweetheart, Ken “Geno” on October 5, 1976 in the Salt Lake Temple. She graduated from WSU, at the age of 52, with a Bachelor of Integrated Studies in Gerontology/Child Family/Recreation degree with a GPA of 3.98. Mom was a transportation clerk at Hill Field Air Force Base for numerous years. She worked at South Davis Hospital as a Recreational Therapist Director and retired as the Director of Golden Years Senior Center.

Mom always helped us bring out our strengths and encouraged us to follow our hearts. She was our selfless supporter and was a great example how to stay strong and lead a positive life. She touched so many lives for good through her beautiful example and love. Mom often expressed her love for the Savior and shared her testimony of the gospel through her actions.

Some of mom’s hobbies were needlework, gardening, collecting family photos, reading, and she loved studying the gospel.

Dee is survived by her husband of 43 years, Ken Halling, son Johnny (Mora) Clark of Merritt Island, Florida; daughters Connie Beard of Prosperity, South Carolina; Cindy (Bob) Burnett of Traverse City, Michigan; and Angie (Matt) Hansen of Denver, Colorado; 20 grandchildren, 29 great-grandchildren, and 3 great-great grandchild, two nephews, four nieces, and countless friends.

She was preceded in death by her parents, two brothers, sister and her grandson, Cody Carver.

Funeral services will be held Wednesday, November 7, 2018, 11 A.M. at the Clearfield Stake Center (151 N. 1000 W. Clearfield, Utah). The viewing will be Tuesday, November 6, 2018 from 6-8 P.M. at

We enjoyed watching our children build a relationship with Grandma Dee. They would Facetime with her frequently and always looked forward to speaking with her. We were all very sad the day we heard the news but the memories will linger in our hearts forever. She was a very special woman who lived an amazing life, was kind, and a great example.

Our deepest love and sympathy to your family at this difficult time. We loved serving with Sister Halling at the Ogden Temple. She was kind and gracious and truly an angel to all the patrons who came to the temple and also to all of us who had the opportunity to serve with her. She was an example to us all. Our prayers are with you. Sincerely, Ogden Temple Shift #2 Ordinance Workers

Dee was an absolute inspiration and a loving work and spiritual mentor, while we were recreational therapists at SDCH 1994-2000. I'm sad I just found out about her passing today...along with finding out about sweet Janice Blodgett's passing a few days ago. We loved Dee so much. I'm forever grateful for how she touched my life. Miss her!

Our thoughts of sympathy goes to Dee's family. We served in the Relief Society Presc'y. together. That was how I got to know Dee. What a sweet, lovely lady. I know she has suffered for a lot of years for me knowing it was when she was beat up by those men at a ball game while visiting one of her children. It seems like her health started going down hill at that time. Gene our prayers go out to you. You have been so good in caring and loving Dee. May the Lord bless you All. Don and Carolee Dial

One of my favorite memories was when I went to our trip to Branson, Missouri for a family reunion . I remember we picked her up it was one of the funnest trips I ever had!!! She wrote down a note for all her grandkids in Florida before she passed away. She said, " I am here to to understand you, I am here to love you, I am here to cry with you, I am here to laugh with you, even if I am not here with you I will still be here to love you." She told me and others that and it's helped me feel better knowing that she is still with me even though she's not here. — Bridget Yates

Her testimony of Faith and love is an example I will carry with me forever. When we visited her earlier this month she bore her humble witness to us all about life after death & about her Love for The Savior. The spirit we felt when we were with her was serene and peaceful just like her. — Jenny Yates
