To the family of Pat Fausett: We are so grateful for the opportunity to have known Pat and Bob and to have been a part of their lives. We feel as though we know each one of your family because of the many things Pat shared with us about each one of you. We truly appreciate Shirley, Dick and Whit for accepting us into their circle of friends and allowing us the honor of knowing Pat and Bob. Pat was very dear to us and as we came to know her, we developed a great love for her. She sewed for our Grandchildren and always remembered them for Christmas. Our Children and Grandchildren loved her and always enjoyed their visits to her home and then at Rosewood Assisted Living. She was fun to visit with and she was generous with what she had. She was a good listener if you ever needed to share difficult times with someone. We enjoyed decorating her room for Holidays and bringing her favorite "Bear Claw" pasteries. Pat touched our lives for good and we will cherish the memories we shared with her. We will truly miss her. Richard and Phoebe Eason

I am going to miss my sister so much, we have had a pretty close relationship the last few years. But also know she will not be suffering with her hands, and will be running and dancing around. Love you so much sis. Lucy
