I went to high school with Merina. We met up again later working for 4Life Research, where our hubby's became work buddies. My family loved watching movies and just hanging out with Mike, Merina and the kids. We are all going to miss her! Merina was such a genuinely kind and loving person. It's been a blessing to know someone like her. Mike, you and the family are in our hearts and in our prayers. We are here for you if you need anything at all. We love you!

Merina and Mike helped me out of a couple of Jams I got into in life, Merina watched my youngest son when I had no one else to watch him and also took in a dog for me when I had to move out at a moments notice. I will be forever grateful for that. Merina was a very kind and sweet person and will be missed.
