My memory is from 20 years ago almost. She was the first person to hire me to babysit! She always welcomed me in her home and trusted me. She will be very missed! Her smile was contagious! 💙

We are so sorry for your loss! Although we only got to meet her a few months ago, we could tell she was a spunky and happy lady! She truly is an inspiration To us all. Not all of us could have such an optimistic spirit with such adversity. To her children...our heartfelt condolences go out to you. To our new daughter-in-law Chelsey, we love you, and promise to help you, and be there for you with anything you need. ❤️She was truly blessed to have such awesome children. So many memories to choose from.But my favorite was spending the weekends together.We would ride a make shift skateboard together down the hill to buy candy.lots of candy.Then we would steal a couple t-shirts from Keith and stay up all night building forts and watching Nightmare Theater.Saturday morning cartoons,giant bowls of cereal and plotting our days adventures.Lisa was always so creative and fun.Even though we grew apart as adults,she is still my best friend and I will always love her.
