She was a great co-worker and friend. Morning breaks with her and Amelia in the atrium were fun.

I am sorry to hear of this. I have worked with Lisa for many years. She was one of my first teachers. I used to love to call her Mr. Stein as a TP misheard her name on a call. She was funny and finished her career with me as her lead. I enjoyed working with her. We had a great ceremony in our team for her retirement complete with a mechanical dancing chicken and a 'hot diggity dog' hat. You were already missed by those of us who haven't seen you since that party on 08242016.
