I am so thankful that I got to know Catherine over the years. She has a very special place in my heart. I loved when music would come on and she would dance and sing around the house. I loved when I called her she would always say is that you honey. My thoughts are with all of your family. I love you guys.

I always remember Catherine as happy, smiling, and loving to dance and listen to music. I never heard her complain. She remained a beautiful woman right to the end. She was very special to my father, Pietro, her brother. She will be missed by all who knew her.
