Frankie Alan Capson

JUN 2, 1965 - FEB 28, 2020

F rankie Alan Capson

Loving husband, father, grandfather, brother, son and uncle passed away holding his wife and soulmates hand on February 28, 2020 after a long journey of medical conditions.

Born June 2, 1965, he was diagnosed with cancer when he was just a baby, making him a fighter from the beginning. Frank married the love of his life, Jennifer Massey, on January 24, 1997 while gaining a daughter, Jessica. His wife, daughter and two granddaughters were his greatest loves, though the Minnesota Vikings, Dr. Pepper, Judge Judy and the Twilight movies were a close second. Frank was the life of the party and always had something funny or clever to say. He was so selfless and loved fiercely.

Frank, you are Jennifer's light, love, soulmate and best friend. We will forever wonder - "Is the light on?"

Frank is survived by his wife Jennifer, daughter Jessica (Kevin), granddaughters Shaylii and Haven, parents Carl & Alice, brother Dennis (Angela), sister Jackie, in-laws Gary & Alberta and many nieces & nephews. He is welcomed by brother Mark, grandparents Daniel & Rebecca Suazo, aunt Elizabeth Lucero and grandparents Frank & Mary Capson.

I'm so sorry. I moved to Atlanta with Frankie back in 1986 in his blue GMC pickup. We were roommates for about a year. He was the nicest and friendliest guy ever. We worked together there, and I still have such fond memories of him.

I've known Frankie my entire life, grew up down the street from the Capson family. I spent a lot of time hanging out at their house with Dennis, Mark, Jackie and Frank, Carl and Alice. Even though we have grown up and all went our separate ways but, I still feel like I have lost a member of my family. Many fond memories of all of you. I am so sorry for your loss and my thoughts are with you all. Much love.

Frank, you were the funniest person I ever met. 34 years later I still quote your one-liners. They say you were selfless, well from my experience that may not go far enough. May you race in peace, my friend. Cory

When Ambri (2 1/2 year old daughter) had leukemia, very sick and living at primary children's hospital. Frank would be there daily to help out. Not only did he help her parents as we juggled jobs so we had insurance to pay for her medical or couldn't be by her side, but he came for her. He played with her, wheel chair rides, made crafts like hats and other clever things. Read her stories, watched movies with her and was indeed her comfort. She always wanted Frank! He was the uncle who was adored and still is! Our families went camping and always woke up to his breakfast! The smell of bacon! He was quick Wit, fun and just loved life especially around kids. I've always thought the world of Frankie.. I remember coming over to visit with nascar on TV... besides the team he liked and sporting the jersey.. he loved nascar! He cheered on nascar as sportsman Holler at football. Always loved and forever remembered. ❤️
