## **Sherry Ann Dove**

NOV 12, 1952 - MAR 24, 2020

**S**herry Ann Dove “Pama” 67, passed away due to complications with Cancer, on Tuesday March 24th, 2020 peacefully with her family by her side. She is preceded in death by her son Brian and grandson, Tristan Campbell. Sherry was born Wednesday, November 12th, 1952 to the late Kenneth & Rebecca Dove in Sacramento, CA. Sherry graduated from Manti High School in 1971. She loved helping her parents while working in the family Grocery store (Snappy service) in Ephraim, UT. Sherry is the 2nd oldest of 5 children. Being the oldest sister, she became like a second mother to her brothers & sisters. She made special bonds with each of them and would never let them forget it. “Sis loves you all so much.”

After high school she married and had 8 beautiful children. Sherry went on continuing her career working for multimillion-dollar hotel chains the Red Lion, Salt Lake City Marriott University Park Hotel for several years before being offered a great position by Steve Wynn himself, as head PBX operator at The Mirage Hotel in Las Vegas, NV. A career she really enjoyed.

But most of all she loved being a mother. She would say her greatest accomplishment was her children. She made such strong, special and unique bonds with each of them. She would say “have I told ya! you are my favorite“ so they could tease each other about which one what it was.

Sherry loved writing, singing, cooking, decorating her home with the cutest décor for any occasion. Most of all she loved the family gatherings. Sherry had such a kind, loving heart and such a great personality. She always knew how to comfort you if you were hurting, or make you laugh and smile till it hurt. She will always be remembered as a selfless, creative and loving Mother, Grandmother, Great-grandmother, Sister, Aunt and friend, who always had a smile and hug waiting for you whenever you would see her. Even when times were tough, she had a quiet strength and always looked to a better future. She left us all with so many wonderful memories that we will cherish forever.

Our Mama,

You are loved and missed more than you can ever imagine. We know you are up there watching over us, celebrating being with Grandpa, Grandma, Brian, Tristan and all our loved ones we have lost. We thank you for everything you have done for us. Most importantly all the Love, Kindness, Protection and Strength you gave us all our lives. We wouldn't be who we are today without you, you truly are an Angel in the shape of a Mom. We can't wait to be reunited with you again, and hear your voice and see your smile, saying all the little inside jokes you had with us like, "I love you Meow," "You are my Thelma to my Louise," "Love you lots and lots." There will never be enough words to express just how much you really mean to us and how amazing you truly are. So, until we meet again, Hug "Boo" and hold everyone tight for us.

We Love You Mombie! (14341)

I love you mama!! I miss you and still can't believe you are gone!... I'd give anything to go back to when I was little and would curl up behind you and you would hold me and tickle my neck and say I was " your kitty cat" because my skin was so soft...please don't forget how much I love you ma... Your Meow! Lindsie
