I'm in shock still, I only found out a couple hours ago. Ronda is/was my daughter Brylees G-Ma (Godmother). Ronda was the first person I told when I found out I was pregnant. She offered to take me to the Hospital, and to be there for me for Brylees birth, when my family wouldn't go. I loved Ronda so much. I thought of her as family, not just my friend or neighbor. She bought Brylees first Baby gift when I told her I was pregnant. At Brylees funeral, she offered to help pay for, or help pay the funeral cost. She didn't know I'd paid already. I can't believe she's gone. I have no doubt, my daughter Brylee is so happy to have Ronda with her up in Heaven.

To Shannon, Nick and family, I am so sorry to hear of Ronda's passing. I will never forget the memories we had during our early high school years. I enjoyed spending time with her at her house on Wrights Crossing Rd. in Pomfret. Many years had passed and we reconnected with each other on Facebook. She was so proud of her children and grandchildren. She always shared stories with me about her kids, grandchildren all her animals. She was so such a kindhearted person. I always knew how much her family and her pets meant to her. My thoughts and prayers are with all of you. May all the wonderful memories you have of her, sustain you in this very difficult time. She is always in your heart. 🧑🏻💙~Kim Wootton

I would like to pass my condolences to the family and say, Ronnie was a smart and cute young lady that I had the pleasure to have in my life. I will never forget her father who let us take his truck to the drive-in, we were both very young but we had many laughs and many tears together, you will always be in my heart. I could remember having fun with Ronnie with other friends who have past many times, Tom Perron, Dave Obrian, Leisa Navaro, Lance Boniface at Black Pond in Woodstock. Rest in peace and enjoy the Stairway to Heaven. Thank you for being a part of my life, you will be missed by all who knew you. Gary A Hopkins

Nick, Whenever I talked to your mom over the years, she always told me how proud she was of you and your sister. She loved you both so very, very much. She will always be with you, now more than she ever was before and in a way she never was before. Keep making her proud by living your best life. Love never dies. God bless. Becky Lambert

My sincere condolences to Rhonda's family and especially Shannon and Nick. Your mom loved you guys so very much. We were very good friends and were pregnant together when she was pregnant with Nick and I'm Shannon was too young to remember me, but I was part of your lives for a little while before your move to Utah. The pic I'm trying to post is of your mom, Nick and I at my baby shower. Your mom was very thoughtful and kind. We kept in touch over the years and planned to see each other again. I will always hold a place in my heart for her. Love n hugs ❤️

I have lots of great memories of my sister. We did a lot of swimming growing up. We played lots of Marco Polo. She was an amazing gymnast. I could just sit and watch her just wishing I were half as flexible. She could fix anything. She was great at decorating and she was an amazing cook. She had a kind heart. She was a passionate soul, a fighter through the end. I will miss spending holidays with her. Those are our best and most cherished memories. I will miss you everyday, Ronda but I know you're in a much better place now and that someday we will once again be reunited. ❤️

Ronda and I spent many days and nights playing on and exploring Omi and Papa Hansel's land in Connecticut. We stole giant pickles from Omi's daycare, chased chickens, played Barbies, rode the neighbor's horses bare back (without permission), and tried to see who could hold their breath the longest underwater. Later in Massachusetts Ronda visited our family with her own young children. She always left the most wonderful notes for our family when she departed. My mother Ingrid, loved her so much. Thank you for loving me Ronda and helping to create wonderful childhood memories. I love you Ronda donda💜 I can't wait to see you again!

My Mom

She has done a lot of stuff for us
And she is the best.
I don't ever want to leave her side
But I have to go.
So I say goodbye with a hug and kiss
When she leaves, I blow her a kiss
I will see her at the end of the day.
She is a good strong person.
She wouldn't let anything happen to us.
She is the best.
We love her.
She loves us.
She is so great.
She is the best.
She will not rest till we rest.
She is sweet.
We love her.
She loves us.
She is cool.

The Sun

The sun reminds me of my mom
because she is so bright
And sunny
And sweet
So when ever
I look at the sun
It reminds me of my mother
Because she is so bright
And sweet
And sunny.
We love her very much.
She loves us very much.
She is cool
And funny too.
The sun is always nice.
We love her very much.
