In Loving Memory Of Daniel Evan Simonson

August 18, 1936-June 2, 2020

Daniel Evan Simonson (Dan) passed away peacefully June 2, 2020 at Beehive Home in West Jordan, Utah . He was born August 18, 1936 in Fillmore, Utah to Billie and Roy Simonson.

Dan grew up in Baker, Nevada with his mother and sister and he spent hours on end fishing, hunting or just roaming the hills of Baker. He later moved to Ely, Nevada where he worked for the White Pine County Road Department, retiring after 30 years. Once retired, he continued doing the things he loved, including fishing, hunting, riding around in his truck and visiting friends. When his health started to decline, Dan moved to Salt Lake City, Utah to be closer to his sister and her family. Throughout his declining health Dan continued to laugh and smile. Dan loved to collect hats, drink coffee and eat candy. He loved all dogs and to spend time with his family and friends. One of his favorite things was when his family would come and visit with a strawberry shake or sundae and hard candies, especially if his great nieces Micki or Maddie brought him a treat. He appreciated when his sister Sharron would bring his dog Grimmie to see him. It always made him smile. He had a contagious laugh that would also make others laugh when he laughed.

Dan was preceded in death by his sister Marquita, father Roy, mother Billie, and his little dog Grimmie. He is survived by his sister Sharron and brother-in-law Vernon Hutchings, nephews Clinton Hutchings (Heidi), Kenneth Hutchings (Shannon), niece Jolynn Hutchings, four great nieces Lindsey, Hailey, Michaela, and Madison, and friends at Beehive Home.

Graveside Services will be held at 11:00 a.m. on Saturday, June 13, 2020 at the Wasatch Lawn, 3401 Highland Drive, SLC, UT

Gerry Murphree posted:

I grew up in Baker, I attended 5th through 8th there. I had a few friends in Baker Danny and Sharron were special to me. I lived in the Log House which is still standing and Danny and Sharron lived in a small house south of Terry's Store so we became close friends. Dan and I built the first Chain Link Fence around the US Fish and Game Hatchery on Snake Creek. Sharron I know you remember you and I going to the Dance at Deep Creek. You asked what the girls wore at the dance and I told you pants, so you dressed in Slacks every other Girl at the dance wore Skirts or dresses. My Bad but the memories are still there. As we age childhood memories are brought to the mind. I asked everyone I knew in Ely if they knew anything about Danny. But to no avail, I am deeply saddened for the loss of my Friend before I could connect with him again.
