I remember spending summers with my Oma, so many memories. If I were to write them all down I would be writing a book. My Oma was such A huge part of my growing up- i dont even know if she realized the impact she made on my life. She has always had a special place in my heart- she was always so happy to see me and I loved spending time with her. From having nightmares when I was little and she would hold my hand until I fell asleep- to having lunch and getting adult advice from her- my whole life she has been there for me. I miss her so much- I hope she knew how much I love her. Thank you Oma....
