Aunti Trudy, you always knew you my favorite Aunt. I'll always remember growing up and going to the Layton park, the hotel zoo, pineview dam, and the drive in. The best parts of my childhood memories were with you and my mom. You were always trying to get me to eat corn lol and go figure I love corn now. You were always there for me no matter what. Trying to get me to dress like a girl (that rubbed off too) and be a strong woman. You were always there at birthdays, including my children's and I'll cherish these memories forever. When you left it rocked my world so bad. I cry off and on because I'll never hear your voice again, your laugh, or get one of your hugs. You loved so deeply with every park of you and you were so protective over everyone you cared for. You'll be forever missed. I love you to the moon and back
