I didn't think he would ever leave Hawaii, he so loved the climate. I wish I had known he was within a days drive, we were close enough to have visited if he had liked. I would have, it's seems rather sad now how we drifted apart and just lost touch. Did he get to take our dogs Snowball and Brandy with him to the Mainland? They wouldn't have known what to do with snow.

I am saddened and shocked. I should have listened to him a lot more. He tried to teach me. I did learn some....but I didn't know then what I do now. I sit in a house that he helped me get 30 years ago. AlohaA hui house Brian Ching
