Shallon Wright

NOV 2, 1977 - SEP 20, 2020

Shallon Wright is a special needs child who was born into a loving family of Glen and Eunice Wright of Salt Lake City, UT. She blessed every life she touched with her positive, glowing personality. Shallon made friends everywhere she went, and she was not afraid to meet new people and visit with them. She liked tending animals and spending time with them.

Shallon enjoyed her membership in the Church of Jesus Christ of Latter Day Saints. She loved the primary songs, saying the prayer, and always strived to be good. She encouraged and uplifted those around her with her sweet spirit. Her smile would cheer up and lighten the load of her friends and family.

She was a loving daughter, sister and Aunt. She loved to spend time with her grandma, Marianne Wright, who preceded her in death. She was also preceded by her grandfather, A. G. Pratt.

Shallon is survived by her father, Glen Wright (Eunice) of Paradise, Utah. Her younger brothers and sister, Eric Wright (Stephanie) of Palmer, Alaska; Christopher Wright (Shannon) of Kettering, Ohio; Steven Wright of Paradise, Ut. and Julianne Wright of Salt Lake City, UT.

Funeral services will be held on Friday, Sept 25th at 11:00 am, at the Church of Jesus Christ of Latter Day Saints, in the Paradise First Ward, located at 155 E. 9400 S. Paradise, Utah 84328. A viewing will be held one hour prior to services at 10am. Interment to follow at Avon Cemetery.

Chris Sudweeks lit a candle in honor of Shallon.

Shallon was the sweetest person I knew growing up, she was always happy and kind. I am very sorry to hear of her passing.

What a beautiful person! The world has lost a whole lot of happy light, in her passing. I remember going to church, and if I was having a bad day, I always knew that I could count on Shallon to smile, and let me know that she cared, simply by her pure and unjudgmental love for me. I know her spirit will still be there for her loved ones, and the new wisdom she has on the other side of the veil will make her wiser than them all.
