Sharol Taylor - Allens Niece posted:

So I remember coming every summer to Utah. We always had so much fun. Craig and I would sit downstairs and watch Johnny Carson with Allen and Annette, and we played croquet in the back yard. I remember a time when I came to Utah with friends and we came to see them. Allen had a horse and I wanted to ride it. Allen and Annette chuckled and said "but you live in California, you don't know how to ride a horse! I finally convinced them I could do it, so he got the horse all saddled and ready and he walked right next to me as I was riding the horse. They were so surprised that I could do it without anyone guiding the horse. I actually have a picture of me riding the horse with Allen walking next to me. It was awesome! Love you Uncle Allen! I bet grandpa and grandma were so happy to see you!
