I've enjoyed having Christopher and Catherine as my neighbors from the first day I showed up to move in the pouring rain. It saddens me that he's gone, but I am happy he is no longer suffering. Loved Chris as my own family, and I will miss him dearly. He used to tell me that I work too much, and even when he was suffering he would ask how I was doing in school. I will miss our casual visits and laughter. I will especially miss his humor and sass! He was one of the most selfless people I've ever had the pleasure of knowing in my lifetime. Till we meet again....
