Utahna Summer Halona Erickson February 9, 1979 - October 28, 2020

Utahna Summer Halona Erickson, mother of two amazing children, passed away at her home on Wednesday, October 28, 2020. She was born on February 9, 1979 in Provo, Utah. She grew up in Utah County attending Brookside Elementary School and Springville High School.

Her great laughter, friendly personality and positive attitude towards life and family touched everyone that knew her. Even in bad times she always looked for the good. She loved bringing family and friends together and celebrating life events. Tahna was a do-it-yourself, talented decorator, party planner and making everyone feel at home. Her love of her family was incredible. There are not enough words to describe our daughter, sister, aunt and Mother who was adored and admired by so many that knew her.

Utahna was very active in the education of her children and volunteered with school events and projects. She often spent her day at the school helping out teachers and staff on a weekly basis.

Utahna was welcomed into this world with joy and happiness by her Mother, Shirlee Silversmith. Her father was the late MacArthur Halona. From the time she was a toddler her Dad has been Kent Weight of Springville, Utah.

Utahna is also survived by her Sisters; Leigh Vornkahl, (Lee Vornkahl), Desiree Raulston, (Buzz Raulston), Melody Halona, Brothers; Shane Halona, Jeremy Halona, (DeloresHalona), Michael Halona, Step Siblings; Adam Weight, Kelly Weight, Loni Clausen, Kassie LeFevre, and Andrea Carter and her beloved dogs, Homer J and Amos. Plus many nieces, nephews, grandmother, cousins, aunts and uncles.

Shirker, I was just watching the Channel 2 News when a story about Utahna Halona's unsolved murder came on. I remembered that was the name of your daughter. I have often wondered what has happened to you and your family. I have many fond memories of our time working together. So sorry for your loss. I know it was in October but didn't hear this until today (Feb. 4, 2021). Would love to hear from you.

Tahna lite up every room she walked into. Even tho I was difficult most of the time she always had a smile and made me smile. I'll never forget her support when I was trying to conceive. She was there with me when I got the call I was having twins and she and Lynzie hugged me so tight and were literally screaming for joy! I never felt more loved. I was also there when she found out she was expecting Weston and returned the hugs and excitement. She was overjoyed and loved her children. There will always be a void but I know she'll be watching. Shirlee, you're an amazing mother for raising such an amazing woman! ❤️

I met her when her little girl attended preschool Copperview Elementary. It was a joy seen Presley run to her armas and hug and kiss each other. She was really talented and drew a big picture of the cat in the hat theme for our preschool graduation "oh the places you' will go" She was a very loving mother. I am very sorry for this tragic loss.Silvia Riet.
