Melissa Powers

FEB 25, 1962 - DEC 4, 2020

Melissa Powers an apartment manager for 25 + years and resident of Ogden, Utah, passed away on December 4, 2020 at the age of 58 after bravely fighting breast cancer for over eight years with her loving daughter and husband by her side.

Melissa is survived by her husband, Kevin; her three children, Michael, Gabriel, and Elizabeth; and her brother, Mark Nelson.

Melissa was born in North Hollywood, California, on February 25, 1962, to Fred and Allene Nelson. At the age of six, her family moved to Idaho Falls, Idaho, where she grew up. While attending Ricks College, now Brigham Young University-Idaho, she met Kevin and they wed in 1983. Melissa and Kevin were married for almost 38 years.

Melissa was a devoted aunt, friend, mother, wife, sister, and scrapbooker. She feverishly worked to finish scrapbook pages of her family until the very end, leaving her family multiple scrapbooks as treasured keepsakes. Her favorite season was fall, and she often took trips to the mountains with her family to take in fall foliage. Melissa was a great lover of nature, but her absolute favorite plant was the sunflower.

The family would like to thank to McKay Dee oncology staff, as well as the Bristol hospice staff, especially Tiffany, Judy, and Sydney, for your tireless efforts.

The family will be holding a private memorial on December 10th. In lieu of flowers, please donate to the National Breast Cancer Foundation at give.bcrf.org.

I actually first met her daughter, Elizabeth, in school, but it wasn't until the Summer of 2002 when my family moved into the apartments she managed that we met her. She seemed nice, but we didn't really talk with her very much other than work-related stuff when my dad did the maintenance and he had me help him. I can't really say anything bad about her personally; the only reason we found out about her passing is because my father came across the assistant manager, Grace, and she gave him the bad news.

I met Melissa when I moved into the apartments she managed in 2002. I later met Kevin, her husband. Both would wave and ask how I was. They took nightly walks, hand in hand around the complex. Melissa was always so nice and helpful when I needed some handicapped adaptive fixtures. She also loved Bear, my first little dog, she was fond of Jazzy, my second dog, but I think she loved Bear more. I will miss Melissa and her quick gentle smile. Bless you all.
