Tiffany DeLee Kennedy

NOV 21, 1975 - DEC 14, 2020

On Monday, December 14th, 2020, Tiffany DeLee Kennedy was released from this world and has returned to the presence of her Heavenly Father and to be reunited with her beloved mother, Shirley Kennedy, her beloved aunts, Joan Hurst and Glenna O'Dell, and her beloved grandmother, Vivian Kelly, as well as her other grandparents.

Tiffany was resilient and strong in facing so many hurdles with her physical health. She was a bright light of positivity and love to her siblings, parents, and nieces and nephews. She will be sorely missed, and her imaginative and playful personality was a joy to experience over her 45 years on this earth.

Tiffany was born on November 21st, 1975 in Salt Lake City, UT. She attended Bonneville High School and Weber State University. Tiffany had several places of employment during her lifetime, including Metal Creations, Progressive Preschool, volunteering at haunted houses (a particularly enjoyable occupation for Tiffany), and the IRS.

Tiffany is survived by her father, Jerry Kennedy, siblings, Devin Kennedy, Brandon Kennedy, and Shantell Kennedy Crawford. She also leaves behind her nieces and nephews, Corbin Crawford, Logan Crawford, Gavin Kennedy, Joslyn Kennedy, Brinley Crawford, and Camden Kennedy.

Milt Neeley posted:

I worked for several years with Tiffany at Metal Creations. She became manager over decorating and other responsibilities. She was dependable and had a high standard for the work she was doing. She never needed to be told what to do because she took care of everything. She kept people entertained with her Harry Potter book on tape, along with following Rush Limbaugh. You could always hear her laughing and talking but kept the work moving along. She was a joy to be around and had a good attitude. It has been nearly 20 years since I have seen her. When I finally made contact with her again through a friend, she was sick. They say only the good die young, Tiffany was good and too young to die.
