April Rapp

AUG 31, 1972 - JAN 15, 2021

April Rapp Age 48, has passed on January 15, 2021.

She was born in SLC Utah on Aug 31, 1972, to Myron (passed) and Karen Preston (passed). Born to a family of 8, (Brothers: Myron JR (passed), James Wade (Passed), Schane, Jerry, and Russell. Sisters: Tina, and Lacey), married to Darin Rapp on May 17, 1996, for 24 years, having 5 beautiful children: Corbyn, Tyler, Emily, Kyle, Bryce. Most loving and caring soul, to have even for 48 short years.

She had fought Stage 4 Cancer and became a 5 year cancer free survivor. She was always willing to help and believed family should come first. She cared for friends, and Neighbors as if they were her family, and helped them whenever she could. Never wanting anything in return, just the good feeling that she could help someone out in their time of need. Having a positive attitude even when things were bad, she always believed that a positive outlook always gave you the ability to look on the brighter side. Making the world a better place, with her faith so strong, believing that Heavenly Father knows what he is doing. Then she caught COVID, and without any warnings lost the battle. We will miss this precious soul.

On January 29, 2021, we will be saying our heartfelt goodbye. Zoom meeting for all except Intermediate family at 1:00 pm, intermediate family (mask required) 5130 S 4015 W Kearns UT 84118.

April and I have been close friends for 16 years. Corbyn and Cassidy were instant best friends first day of kindergarten. Therefore I adopted April immediately too. I loved her and our friendship meant a lot to me. My heart is broken . I know she is in heaven keeping everything moving and doing what needs to be done. I loved that she talked almost as fast as me. I loved that we would pick up where we left off after not seeing each other for months. I loved that every single time I showed up she ran at me with the biggest hug. She always made me feel loved . I knew how she felt about me . She will be missed forever . R.I.P my dear friend I will love you always

I didn't know April very well for several years after they moved in across the street from me. Then my children and grandchildren moved in with me and Dennis. We had children living here close to her kids same ages. When my youngest son was going through his divorce she watched his kids for awhile while he worked. Little by little I got to know April. Dennis and I came to love April and her family. I could always count on April if I needed help with something. If we left somewhere that we couldn't take our dogs, April would come over and give them the medications that they needed. My dogs love April and the kids. I miss April and I am finding it hard to say goodbye for now. I know we will see each other again but it will be a little while for me I hope anyway. So April goodbye for now. Dennis and I love you and will see you later.
