Peggy Lynn Nebeker Peterson 1957 – 2021

Peggy Lynn Nebeker Peterson, beloved mother, wife, aunt, daughter, sister, and friend passed away peacefully on February 11, 2021. She fought a valiant 6-year battle with cancer, never losing her sense of humor, never being bitter about her lot in life. She was kind, generous and loving to all who knew her and a great joy to be around.

She was born on September 3rd, 1957 to Harold and Colleen Nebeker and spent most of her youth in St Anthony Idaho. She loved the company of 3 sisters; Diane (Parsons), Susan (Hunter), and Geraldine (Morris) and a brother, Michael. They remained close throughout her life and she thoroughly enjoyed their company.

Peggy married Tim Peterson in November of 1978 and together they had 4 boys, Jason, Blake, Scott and Steven and three daughters in law, Kristen, Amanda and Chloe and her newest pride and joy, grandson Noah Blake.

She loved the medical field, graduating from the Bryman School as a medical assistant and working in several medical offices until leaving to be a full-time mom and wife. For the next 32 years it became her mission to find a cure for the cancers that would ultimately take the lives of her and 2 of her children.

We are so grateful to have shared this journey with her and our lives have been enriched by knowing her. She will leave a hole in our hearts that cannot be filled but we find comfort in the knowledge that she is now enjoying a wonderful reunion with 2 of her boys, parents and relatives and is wrapped in the arms of a loving savior of whom she worked her entire life to emulate.

I am grateful for the opportunity to serve with Peggy in the Young Women's organization. After Peggy returned from the Holy Land she gave a beautiful, heart-felt lesson about the Savior's love for each of us and that we are enough to Him. She gave us each a widow's mite so we would always remember that just like that tiny mite we are noticed by Him and we are enough. I am grateful my daughters and I could hear her testimony and feel the spirit witness the truth of her words. I am grateful for Peggy!❤️

Tim and Peterson family, please know that you are in our thoughts and prayers. Peggy had a spirit of positivity, kindness and generosity that always left me feeling better just by being around her. She brought a Christlike perspective that enhanced all our lessons and meetings in Young Women's. We were lucky she was gracious enough to serve and teach us during her fight with cancer. She never talked about it and always focused on you instead. Truly a remarkable and lovely soul! I will remember how she endured to the end in faith, thank you for sharing her with us!
