Going to miss our dear Aunt Lola. We have not been very good at keeping in contact these last few years. Please know of our deepest love for all of you. The service today was really special. Each of you did wonderfully and it was a great tribute to your mom. With great love, Dar & Nola Peterson and family!!

Dear Leon and Diane, I'm very sorry for your loss and hope you'll find joy and comfort in the loving relationship you've had with Lola. There is no greater honor than to live a loving and righteous life, which I'm sure Lola modeled for all. Thank you for your wonderful friendship over the years and may you feel at peace during this difficult time. Alice

Lola meant the world to me and my family ❤️. We miss her so much 💙 During the pandemic I couldn't go visit with her but I would call her every night and we had the best time talking to each other. She always told me, "remember this old lady up here loves you" then I would say, "this old lady down here loves you"
