Jose Franco

MAY 13, 1982 - FEB 21, 2021

Jose (Guero)

Life was too short for our beloved Jose Franco. Our Father in heaven took him home at age 38. His struggle with asthma landed him in the hospital where he passed away on 2/21/21.

Cause of death is pending.

Jose is preceded in death by his maternal grandparents Guadalupe and Enedina, Aunts Edelmira and Teresa, Uncle Hector, and half sibling Holda.

Jose is survived by his parents Franco and Rosa, his siblings Carlos (Tina) and Becky (Jerry), his nephew and nieces Dominic, Bella, and Alex, his half siblings Pilo, Mo, Alberto, Marco, Roel, Leo, Nora, Silvia, Maria, and Idelia.

Jose loved to fish, hike and go four wheeling with his friends. Jose was very adventurous and loved the outdoors. Jose was shy at first but once you earned his trust he was a loyal friend.

Jose was known for his pranks that brought him great joy and laughter. If he ever got you with a prank one could never stay angry at him for too long.

Jose started his roofing career and received his high school diploma in 2013.

Jose last occupation was a street sweeper for Excel Sweeping.

Jose had many hardships in life. He later turned his life around and accomplished what we knew he was capable of. Jose loved to learn and was very bright and talented.

We were friends it seems like from day one when we met at Irene's house. Foster care allowed me to meet you. We were like brothers from like age 16. We had a lot of awesome times. The pranks we pulled and always goofing around. You were always in my thoughts and you always had a place to stay at my house. The door was always open. You will truly be missed. Until we see each other again, fly high and be free. You are and always will be my brother. Rest in peace.

I will always remember it was always you and I sitting out on the smoking patio at 3 or 4 am. Neither of us could sleep and it was difficult adjusting to being out of jail but not quite free. I saw you struggle and I saw you work through a lot. I was impressed how you crawled up on top of that house we painted, they didn't bring a ladder tall enough and no one else could figure out how to make it work. And you just literally scaled this house and painted all the tricky stuff with no ropes or ladders. You stepped in without hesitation to help make it happen. This is a common theme I've always noticed about you. I'm happy and proud that I could consider you a friend and that you hopefully felt the same way too. I will miss you always making us laugh when things were too stressful at work too... If there could be more people like you in this world we'd quickly run out of problems and have everything figured out of this I'm certain. love you bro. You are one of the good ones thanks for everything, Allan Hutchison
