Anonymous lit a candle in honor of Arthur.

Condolences to Elizabeth's side of the family as well as Sweet Lily and her family. Arthur was a wonderful Person, father, grandfather, and overall man in all aspects of life. He taught where he could, lent a helping hand and he would always watch over the ones he love; even if it was in his own way. He was a man who Wore his pride like a Steel armor but he loved and adored all of his children and all of the people in his life. He was a strong fighter until the end. He will always be remembered and loved.

My dearest Lily, My deepest sympathies go out to you and your family during this difficult time. I pray you find the comfort and peace you need and may Arthur rest in peace. In my experience, Arthur had such a huge personality... from his unfiltered opinions to his fierce loyalty to his family, friends and primarily to YOU. It was a privilege... and sometimes a trip... to have known your husband. He was a man of his words, generous and fiercely loyal. He is now free from pain to continue on his journey.
RIP Art
