Lynn A. Hamblin

AUG 26, 1938 - MAR 24, 2021

Lynn A. Hamblin, 82, of Roy, passed away peacefully in his home on March 24th 2021 surrounded by loved ones. Lynn was born on August 26th 1938 to Alvin and Elizabeth Helen Hamblin in Kaysville. He married Margaret Wilson on February 6th 1956. They raised 4 beautiful daughters but later divorced. He worked his way up from box boy to Assistant Manager of Heywood's Market. He owned and operated a local Dry Cleaning business for 40 years. He was the President of the Roy Chamber of Commerce from 1973 to 2003. He had an amazing work ethic and was sad to stop his school crossing guard job for Roy City after an injury last year. A personal accomplishment that Lynn was most proud of, was his 37 years of sobriety and the countless hours he spent volunteering to help others on their path to recovery. He loved restoring cars, wood working and making others laugh. He had the best sense of humor and will be deeply missed by many who loved him dearly. A viewing will be held in his honor on March 31st 2021, from 10:00am to 11:00am, at Premier Funeral Services, 5335 So. 1950 W. Roy. Graveside services will be held at 11:30am in the Kaysville cemetery. In lieu of flowers, please donate to your local Humane Society in honor of Lynn and his love for animals.

Lynn was the kindest & most selfless man. Last year he was such a great help to my grandmother who has began to lose her memory by reworking her garage to be more functional & installed many safety features including peg walls all around the perimeter of the garage to hold supplies to keep them off of the ground & reduce cluttering. He also built her a new mailbox & provided stickers to decorate it with, & was kind enough to allow my boyfriend to utilize his massive garage to change his brakes & his oil on his car & borrow all the tools necessary. he will be so greatly missed by our family. May he rest in paradise. ❤️

Was so sad to hear that Lynn passed away! We dated for several years until I was transferred to California with my employment. We stayed in touch and visited with each other for many years! He was kind and we had many good times and memories. We shared the same birthday!

I was Lynn's accountant for many years until I had to sell my practice. Lynn was one of my earliest clients. My office was across the parking lot to his Clearfield location. I just loved to work with Lynn. He was very helpful and always encouraged me in my efforts. I owe a lot to him in helping me to shape my business to serve my business clients. Johnny Willis
