Jenessa "Jenni" Helsten (Long)

OCT 9, 1991 - APR 2, 2021

Jenessa "Jenni" Helsten (Long), 29, of Sandy Utah, passed away on April 2, 2021, in Pocatello, Idaho due to complications from type 1 diabetes.

She was born to Brett and Jana Helsten on October 9, 1991 in Murray, Utah.

Early in life, she showed a flair for the dramatic. She loved to perform for others. Her first performance was when she was 8 weeks old being Baby Jesus at the ward Christmas dinner (she had stage fright and started crying).

She loved movies and musicals. One of her favorites was a family favorite "The Three Amigos". She would quote lines from movies with her grandpa Soderborg and other family members. She was always reaching out to others to include them in what she was doing and trying to lift them up.

In 2002, when she was in the third grade, Jenessa was involved in a theatrical group called Destination ImagiNation. She learned how to perform and have fun. Her favorite was the Instant Challenge because she had to think on her feet. Her group advanced to the National in Tennessee, which was a highlight for her in her young life.

She attended Matheson Jr. High where she was involved in the Theater program and the Academic Team.

Jenessa graduated from Kearns High in 2010. She loved school and being a part of drama and choir. One of her great joys was being a Madrigal and the many lifelong friends she had there. She loved performing in the school musicals.

While in high school she started the journey of her health problems. Jenessa suffered kidney stones and gall stones. After many years of suffering with chronic pancreatitis she had it removed in 2017 which resulted in her becoming a type 1 diabetic. She was a trooper through it all.
