**T**homas Leroy Duffy  
7/2/1957 to 4/6/2021

On April 6th we lost my Husband, my best friend, father, papa and great papa Thomas Duffy.

We climbed up and down the hills of our life together for 38 years. Finally we made it to the plateau where everything was calm and easy. But that didn't last long enough because then we started again, this time he was climbing mountains trying to beat cancer. Boy did he climb! I could barely keep up with him. He was a warrior. He finally climbed his last mountain with all of us by his side, loving him and sending him off to be with his precious baby boy Michael.

Tom was met in Heaven by so many of his family and friends. What a party that must have been. I imagine he is setting up his golf times and redecorating his home there right now. Probably all of their homes too ❤️

Tom loved so many people in his life. He helped everyone he could. Once you were his friend you were his friend forever. Our family had to share him with so many people because everyone was family to Tom.

For now myself, his beautiful daughters; Jennifer, Jenni, Rosie, Aimee, Tiffany and Bianca. His daughter-in laws; Cherie, Jocelyn and Yazmin. His son-in law Mat, his most wonderful grandchildren; Jazmin, Miles, Alexis Shane, Ellie, Mia, Tavin, Maddi, Mckayla, Malik, Gavin, Jada, Kaylee, August, Bella, London and last but not least Emma, his one and only great granddaughter Layla, will miss him and continue to love him with all of our hearts. We will celebrate his life with so many others who called him Dad and Papa and friend. Let the party begin.

So many thanks to all of you for reaching out to him and letting him feel your love. Special thanks for his medical team at Huntsman Cancer institute. Especially to Dr Garrido for cheering him

Uncle Tom you are my true Dad, not by blood but by action. I pray that you know how much it means to me that you were there as I was growing up. That you treated me as one of your own every time mom and I lived with you. Thank you for loving me so much. Thank you for being proud of me and teaching me to love CCR. Lol. I will never forget the road trip from Utah to SanDiego in the bug moving truck. We listened to CCR the entire time, well that's what it feels like. Haha and when you would drive with your foot out of the window. There are so many great memories with you. Thank you.

Just found out that my long time friend Tom Duffy has passes away. This took me completely by Surprise. We go all the way back to 6th grade, Nobody could run faster than Tom, he was a lighting bolt. Last time I saw Tom was in 2014 when he came to Vegas and we had dinner together talking of old times. I wish I knew how he passed away.

Oh my heck. Such a. Awesome caring guy and a protector. I will always be so grateful how he cared for me after Steve passed away. Always there if I needed him. Such a great man and friend. I'm so sorry you guys for your loss. I'm sure Steve was one of the first to greet him and the party began. Their friendship grew so fast and strong. I will be forever grateful for him. Love ya all, Lou Bullock
