Robert Gary Davis

JUL 17, 1981 - JUL 8, 2021

Robert Gary Davis, 39, passed away unexpectedly on July 8, 2021. He was the most incredible. Father, husband, son, uncle, cousin, brother, and friend.

Robert was born July 17, 1981 to Diane Jeremiah and Gary Davis. He has 3 brothers Billy, Jonathan and Joseph. He has 6 children, Elizabeth (19), Izabelle (16), Jeremiah (14), Sophia (8), Samantha (5), Robert (2). He happily married Leigh Ann Wheeler February 15, 2018, both as self employed landscapers. He was also accepted as a son to his stepfather Dennis Jeremiah after his father suffered from a stroke leaving him crippled and unable to speak. Robert was a very outgoing person who would do anything to bring a smile to someone's face. It was very rare to catch him without a goofy face. Many people would know Robert by other names such as, "John Stamos" or "Frank Rizzo" because he loved to joke around with new people he encountered. He never forgot a name, face, or story told. He was a hardworking, dedicated man who did everything he could to give his family the best life possible. He was a very loving and accepting person who never judged a soul. Robert enjoyed many things such as hiking, camping, dancing, playing pool, karaoke, baseball or anything that involved his family. He was a christian with much love for God. Robert overcame so many difficult things throughout his life. All he ever wanted was all of his children happy and to know the beauty of simplicity. He wanted them to know that love comes from people not things.

Robert was preceded in death by Gary Davis (Father). If we listen close enough we can probably hear them playing baseball and laughing about some silly joke from years ago. One thing we can be sure about is that Robert is with his family right now smiling at how proud he is of them. While Robert's life may have been cut short we know that he is at peace and was content with his life. He will always be in our hearts and memories and will never be forgotten.

A viewing was held on Wednesday, July 14, 2021 at Premier Funeral Services, 67 East 8000 South Midvale, Utah from 6-7pm and funeral services will be held from 7-8pm.

I have been filled with thoughts of Robert lately! We grew up so close to another and mean we had an incredible bond as cousins. Less than a year apart in age and a couple states divided through our childhood and young adult life. Nothing ever stopped us from reuniting many years every summer for some sort of fun or catching up and laughing about times past. He taught me to stand up for myself and to never give up when things are hard in life. Well, I haven't given up and things are hard! I wish I would of took more time in the later part of our adult life during the times of having kids and getting married to talk to him and to build more on our already bond started. I just hope he knows how much I miss him, love him and wish he was here now. I wish I would of told him more how much he means to me. I swear I feel him sometimes near or watching over me but I'm sure it's just my hopeful thinking 😊 Robert was the best kinda human and God must of had some very important things for him to do that couldn't wait any longer! I love Robert beyond the words or memory I share of him and I can't wait to hug and laugh with him once again. R.I.P in peace Cuz, I'll be seeing when I see yea 😊 (Thank you for letting me share)

Leighann I am beyond shocked. Robert was an amazing guy. As much as I tried to not get to know him he would never let me leave the store without trying his best to make me smile. And he always succeeded. Bob and I are here for you if you need anything. You and your kids are in my thoughts and prayers. Please contact me if you need anything. If you don't have our number message me through Facebook okay.
