## **Daniel Reed Mc Cullough**

OCT 30, 1951 - JUL 20, 2021

**D**an returned home to our loving Heavenly Father on July 20, 2021 at the age of 69. Dan was born Oct 30, 1951 to Emerald E. Mc Cullough and Doris V. Pew in Richmond, California.

As a child Dan loved to play football and go to the family cabin every summer. Dan faithfully served a mission for the Church of Jesus Christ of Latter-day Saints in Michigan where he truly fell in love with the people there.

Dan was successful in everything he ever tried to accomplish; from successful businesses he started, to beautiful house projects. When Dan did have free time he could be found fishing, camping, or doing a complex puzzle. Dan was a true tech guru and seemed to always have a new fun gadget to try.

Dan loved being a father to his four wonderful children and gained an even larger family when he married Janis Mecham April 28, 2013 and was later sealed in the Temple . The two of them were able to make beautiful memories together while traveling and camping in their RV. Dan will be remembered as someone who always went above and beyond to serve others. He will be greatly missed.

We take great comfort in knowing that he is now with his parents and older brother Michael. He leaves behind his eternal companion, Janis, his brother Patrick and his four children, Michael, Jeremy, Lacey, and Lindsay. He also left four step-children Lindsay (Wes), Alisha(Kyle), Hilarie (Russ) and Christian (Anna), and many grandchildren.

A viewing will be held on Monday, July 26 from 6-8 pm. at the Bennion East Stake Center located at 5980 So. 1300 W. Taylorsville, Ut. 84123 and again at the Stake center one hour prior to the service. Funeral service will be held on Tuesday, July 27 at 11:00 which can be viewed on zoom.

Dan blessed the life of everyone he came in contact with. He would greet our faculty every morning with "Good morning! It's a beautiful day!" and by the looks of his smile, you knew it was going to be. He genuinely wanted to help people live a better life. On one of his vacations, he set out to go fishing in Oklahoma. While he was there he struck up a friendship with some locals and learned that they lived in less than desirable conditions. He took the rest of his vacation helping them make improvements on their humble home improving lighting in the home, a chicken coop, fencing, etc. He generously provided what was needed to do this. One time he asked me what I needed help with and I jokingly said I needed ideas for dinner. He went out and bought me 3 packets of soup mix. He was just like that, he saw a need and anonymously filled it. Dan taught me what it is to be a happy, humble servant. I am forever grateful for his influence and hope that a part of his legacy lives on in the way I hope to treat people. Leilani Brecht

Genuine, adventurous, kind and helpful are just a few of the many ways to describe this amazing man. A gentle giant among children, a dependable friend. Dan will be deeply missed. We are so blessed to have had him as a friend. Our deepest sympathy to his beautiful family and friends. Love, The Morton's

Danny & I met in 1959 on Oct 14. We moved in next door to him & his family in a housing tract called Canterbury. We lived there for about 5 years, then moved to a nicer area in Concord CA, about half mile away. They moved in right next door to us again...it was a happy time. We all, Michael, Patrick, Danny & my brother Jeff & I (Sherrie) were always together. They were my best "boy" friends. They had a big Doughboy pool in their backyard that we lived in. We had a fruit/nut factory across the road from our 1st houses, where we could find rotten peaches etc & throw them at each other. I couldn't have asked for better brothers to grow up with!
