Darryl Eugene Cowan

NOV 28, 1963 - OCT 10, 2021

Darryl Eugene Cowan died on Sunday, October 10th. Darryl was born in Pasadena, California on November 28, 1963: the fourth child of Ronald & Donella Cowan.

Despite a brain injury that he incurred as a youth (which impeded his ability to learn and retain information) as well as a leg injury that made it difficult for him to get around, Darryl stayed optimistic in life. Darryl loved KLOVE radio, Neil Diamond's music, telling jokes, and Jesus Christ. "Praise Jesus" was a common daily phrase for Darryl in his conversations with others. If you were fortunate to be on Darryl's calling list, you could count on hearing from him almost daily, and if you didn't answer the first time, he persisted with calls and voice messages until he connected with you.

Darryl is survived by his siblings Nancy Fraser, Kristine Halsted, Larry Cown and Kimberly Cowan. Darryl was preceded in death by his parents and his brothers: Brian and David.

A memorial service will be held on Sunday, October 17, 2021 at 4:30 pm. Mountain Standard Time at The Church of Jesus Christ of Latter-day Saints building located at 4056 Timpview Drive, Provo, UT 84604.

Virtually participation in the memorial service possible via Zoom: <https://zoom.us/j/94342862323>

Darryl had alot of support from friends who loved him unconditionally he truly called family. Our brother Darryl is finally the most happiest guy right now .Always yearning to be with family he doesn't have to dream about it anymore . His sorrows are gone and he is whole again .His 3 x even 5 x a week calls were always so full of sillness ,sometimes full of tears and sometimes even sibling rivalry but Darryl had a genuine love for Jesus and always tried to be an example of the love of Christ.What I will most is his genuine and heart felt prayers we would share at night before going to bed . Always ending the call with I love you sis ..

Why is it called a snowman and not a snow-woman? Because it has snow balls. A classic inappropriate Darryl joke that I laughed at every countless time he told it.
