Nada Sue Beck June 10th 1965 - October 15th 2021

Nada "Sue" Burnette was welcomed home by her loving mother on October 15th 2021. She was born in Salt Lake City, Utah on June 10th 1965 to Myrtle Kathleen Raddon and Robert Leon Burnette. She preferred to go by 'Sue' because everybody would pronounce her name incorrectly, and say "Nada" which in Spanish means "nothing". She would tease her mom, and ask her, "Mom, why did you name me 'nothing'?" However the name Nada (Naadaa) means "Hope" or "Dew at Sunrise". Sue was the oldest of Kathy and Bob's four children together.

Sue grew up on a farm loving all animals, especially horses. Kathy was a dog groomer, and taught Sue everything she needed to know about grooming. They worked together for many years at Joe's Pet Shop. Sue loved watching horse races and NASCAR. She loved music and the Native American culture. She was an outdoorsy person who loved camping and fishing. Her favorite flower was a rose. She enjoyed taking long hot baths and reading a good book. She had a love for magical creatures like unicorns, fairies and dragons.

Sue always wanted a family of her own after losing a daughter at birth. When she married Donald Beck she instantly gained a stepdaughter. Nikie was about five at the time. Sue couldn't help but to fall in love with her. She and Donald later had two beautiful boys of their own; Tyler Don and Bryan James. She loved being their mother. It was her greatest joy. Her other greatest joy was being a grandma to three beautiful granddaughters; Raven (3), Eleanor (1) and was blessed to be able to meet baby Helena. She had so much love for them, and will miss them all tremendously. Sue and Donald remained best friends until the very end.

Years later, she fell in love with Johnny Gonzales and spent the rest of her life with him. They got married October 1st 2020 after being together for so many years. Sadly, he passed away June 4th 2021 from cancer, while she was in the hospital fighting her own health issues. She didn't want to

leave this life behind, she wanted desperately to be reunited with her loving Mother and of course her Husband.

Sue was far from "nothing", she was a beautiful soul from the inside out. "Hope" you'll see her in the "Morning Dew" as she watches down on us, while starring at the moon. Take some time to smell the roses, let be a reminder she never left us.

We love you always and forever, Mom! See you in the Purple Rain! 💜👩

Sue is survived by: Brothers, James Burnette, Joseph Burnette, Christopher (Jamie) Burnette, Bobby Burnette, Leon Burnette and Sister, Christy Jo Myers. Children, Tyler (Sarah) Beck, Granddaughter, Eleanor, Bryan (Tori) Beck, Granddaughters, Raven and Helena, Nicole "Nikie" Giles and Ry-Guy.

Sue was more than a step mom to me, she was truly my best friend. I will miss everything about her.. I will miss our long conversations, going fishing, her laugh, her massages, her hugs and kisses. I am so thankful for the relationship we built over the years. We spent many nights crying on each other's shoulders, reminding each other that things will get better. I know she is in a better place right now but I was NOT ready to say goodbye. I still need my Mama. I love you always and forever 💜🇺🇸 RIP

When Sue was a teenager I gave her horse riding lessons . My residence at the time was next door to K-Mart. My barn was across from the auto department separated by a small strip of asphalt behind the store. This lesson night she was really getting confident and doing a remarkable job when all the sudden the auto department shut off the compressor and it released a gush of air Well the horse spooked and Sue went flying ! Running out to see if she was ok she sat up looked me in the face at first I thought she was going to cry and then she busted out laughing. We laughed and laughed She climbed back on the horse and finished her lesson That is only one of many fond memories I have of Sue. She was remarkable all the way through her life how she could laugh off life throwing her to the ground just to get up and try again. 🤪

Sue, First off I love that your Children share the fact that you loved long baths ♡ . One of my oldest memories was walking into the bathroom when You, Kathy and Chris lived with us.(I was like 4 yrs old) you were in the bathtub eating a green apple lol with saltidk why I always remembered that. You were one of the only people My Mom would let baby sit me as nd I in turn later in life babysat your Boys. I will absolutely always remember you. I know you are with your moma now and smiling down on us from Heaven. Love you
