James Earl Campbell

OCT 19, 1931 - OCT 21, 2021

Our beloved father, grandfather, great-grandfather, and friend, James Earl Campbell, graduated from this life on October 21, 2021, in Springville, Utah. Jim was born in Ruth, Nevada on October 19, 1931, to James Lester Campbell and Minnie Iola Koonce Caldwell. He married Marie Manwaring on July 27, 1949, in the Logan Temple, and they had 7 children together. He was loved by many for his generosity, kindness, charity, humor, listening ear, and his cheerful smile. Jim loved to visit with strangers who crossed his path. One of his many popular sayings when he said goodbye was “See you in the funny papers!” Jim loved golfing, camping, reading and studying the scriptures. Jim also loved to fish, although he would always remind people that “I love to fish, but I won’t eat it!” Jim made excellent homemade bread, which he loved to share with his neighbors and friends.

Jim volunteered for the Air National Guard and then served in the Naval Air Corps, where he was nearly deployed to Korea. Jim advanced from stock-boy to top Manager at JCPenney, where he worked for 43 years. His job at JCPenney took him and his family to many areas across the United States. Upon retirement, he moved to Provo, Utah. After the death of his beloved wife, Marie, in 1996, he married Nancy Chambers McNall in 1997. They were happily married until she died in 2020.

Jim served well in many callings in the Church of Jesus Christ of Latter-day Saints, including in Bishoprics, Branch Presidencies, Stake Presidencies, and as a Stake President, Regional Representative, Temple Sealer, MTC Director, and Patriarch. Jim was guided through his life and decisions by listening to the promptings of the Holy Ghost. As he endured his health trials of cancer, macular degeneration, and dementia, he continued with his wit, love, and humor. When referring to all the people coming in and out of his room at the care center, he would say “What is this, Grand Central Station?”. A special thank you to Ashford Memory Care Staff and Encompass Hospice Staff for their outstanding care.

I will always remember Jim's friendly way. His smile always warmed our hearts, and he was so kind and loving with our kids, Judy and Ben. I was moved when he and Nancy took the time to visit us in Gainesville. We weren't anything like next door, but they made the long trip to see us and spend time with us. I will always cherish the time we spent with Jim and Marie, and then Jim and Nancy. Our family misses them and will continue to miss them a whole lot. ~ Trevor, Charlene, Judy, and Ben Luke

I had the privilege to spend some last moments with Dad. It was a special experience as I visited with all those who came. One was from hospice. A fellow who came to play his guitar and I was invited to sing with him How Great Thou Art. I went to take a break and found a book at Desert Industries, I Will Always Be With You. It was there where it could be plainly seen in front of all the other books. I was able to read this to Dad a couple of times in his last hours. It reminded me of me and Dad. Dad was always so much better than me, so when this boy in the book was called back home to his dad, his dad who was also blind, wrapped his arms around him and assured him of his worth and that the Lord had had a plan for him, it was like dad was giving me the same message. We all love you Dad!

Some of our first visitors when we moved to Grandview Farm from Colorado 5 1/2 years ago were Jim and Nancy Campbell. Of course they had a loaf of Jim's homemade bread in hand! We sure loved them both. Nancy and Jim taught the Temple prep class and what glorious and comprehensive information they shared. This made them even more special to me, as I was then able to go to the Temple and receive my endowment. Rest in peace dear Jim; until we meet again. You are a wonderful soul. With Love, Jean Poll

My heart is filled with joy when I think about grandpa. He radiated pure love. He would give advise without judgment (even if it "cost me a nickle") haha! One of my favorite memories was when he took us out to lunch in a small little sandwich shop and as we were finishing our meal he stood up, slapped the table and proclaimed, " I am having the best time and I love you guys so much!" That is just one example of the many times he made me feel special and important. I miss him so much already but I know he is watching over us and sending his love.

We moved into the Grandview 9th Ward. Shortly after, a knock was at the door. My 6 year-old son answered, then came to find me. He said, "Dad. It's for you! It's President Hinckley." We always loved how kindly he treated our family.
