AWW Jude. You were so loved by those you worked with at SLCPD Dispatch - all those years!! It's so sad that we lose touch. The last time I saw you was at an Old Timers luncheon. I hope you're flying high with the angels. You deserve to be. Colleen Farnworth Conrad

Jude, What an amazing and adorable person you were. I remember last time I saw you saying we need to stay in touch. In fact I still have your phone number memorized. Considering I don't even know my grandkids phone numbers nowadays that's pretty good. I loved working with you for 30 years and living by you for all of those other years. I can hear your voice in my head asking those officers what the heck did they think they were doing You will be missed. ♥♥♥♥♥
