Brian Thomas Ehlers

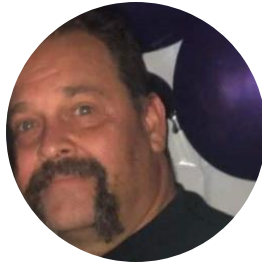

FEB 9, 1970 - DEC 17, 2021

Brian Thomas Ehlers age 51 was born on February 9th, 1970 to Isaiah (Ike), and Carol Nelson Ehlers in Fort Benning Columbus, Georgia. Brian passed away on December 17th, 2021 in Provo, Utah. He gave it all he had, and fought a hard fight, but lost his battle caused by covid 19. Brian had a drive for life. He earned his CDL, and worked for Hadco for 3 years, and finished his career at Traco driving trucks for the company. He absolutely loved what he did for a living, and the people he worked with there. Thank you to everyone who donated their PTO hours, and went above and beyond to help him, and his family during this difficult time. Brian had a heart of gold. He was a loving husband. A devoted father, son, brother, uncle, and grandfather. He had many passions in life. He loved fishing, camping, shooting guns, hiking, basically anything to do with the outdoors. His favorite places to go fishing with his family were Provo River, Strawberry, and Dinosaur Colorado. He was an amazing cook, and always made sure there was enough food for everyone in the house. He loved hiking, and looking for rocks, and stones with his family. that he could make into jewelry. He knew every stage in the process of turning ordinary looking rocks, and stones into beautiful masterpieces of jewelry. He loved working on cars with his son Randy. Brian had the best personality, and always had a funny joke, or story to tell that could captivate anyone. His laugh, and sense of humor will always be unforgettable. Above all else he touched so many people's lives. His love, care, and protection for others was beyond extraordinary. It didn't matter who you were, or where you came from. Once he took you under his wings there you stayed forever. He was loved by all who know him, and will be forever missed.

Brian is survived by his mother Carol Nelson Ehlers. Wife Shelly Ehlers. His brother's Rob (Noell), Devan, and Sklyar Ehlers. His sister Shelly (Doug) Davis. His biological son Tyler Rebol. His children Randy (Tristan) Deziray (Andy) Braiden (Serena), and Dustinray (Taneil) Ehlers. Three Bonus children, Johnny (Asia) Maynard, Cayden (Taylor) Gomez, and Teos Lleverino. Many

A Message From Brian:

Oh please don't feel guilty it was just my time to go.
I see you are feeling sad, and the tears just seem to flow.
We all come to earth for our lifetime, and for some it's not many years.
I don't want you to keep crying, you are shedding too many tears.
I haven't really left you, even though it may seem so.
I've just gone to my heavenly home, and I'm closer than you know.
Just believe that when you say my name, I'm standing next to you.
I know you long to see me, but there is nothing I can do.
But I will still send you messages, and hope you understand.
And when it's your time to "cross over" I'll be here to take your hand.

There will be a celebration of life for Brian on January 6th from 5pm-8pm. It will be held at Bertoli Reception Hall 151 West 400 North Orem, Utah 84057. We will be hanging out telling stories about Brian and remembering the love he had for us. There will be food and music. I hope to see you all there!

My heart is SO heavy right now. I never would have imagined 24 years ago when I first met you, you would be gone by the young age of only 51.... So very inconceivable how you & Steve would both be gone in the same year....within 5 months of each other. Seems like life is only here to remind us just how short and precious it truly is....You were such an outgoing & kind soul, and had so much spunk in you. And a stubborn one you were! We sure had some fun times out in Texas.... I will never forget all the crazy times at The Round-Up.....& being your 'Best Man' at your wedding hahaha.... And don't even get me started with that laugh..... I could hear it a mile away & know it was you.....All I know is covid sucks!!! Here I am trying to recover from it myself.... and here you are GONE from it.My heart is beyond saddened. I'm so glad we were able to catch up one last time over the phone.... you were always reminding me just how beautiful I really was.....inside & out.My heart goes out to your kids and family, & all who knew you. May your soul forever rest in peace. I will never forget you. Goodbye my friend.

I will never forget how much he loved life and everyone around him. I've known Brian since I was 14, and he has always been a friend. I am so glad I could help him in his time of need in 2008 by giving him a place to recover and have peace. He will always have a piece of my heart and I am honored to say he was a dear friend always and forever ... I am so glad he found his beautiful wife Shelly, she truly is his saving angel and gave him the love and peace he deserved. God speed Brian may always be with us

I miss you more and more everyday. Especially seeing you everyday after work with a smile on your face wanting a hug. Saying " hi shorty how was your day?" I know we will see each other again, and until that day comes I promise to keep your memory, and love for life alive always. ❤️
