Jenice LaNae Bennett

OCT 18, 1973 - JAN 18, 2022

The world lost a beautiful and passionate soul this year. Jenice LaNae Bennett, 48, passed away on January 18th, 2022, in Salt Lake Valley after a three year battle with obstacles from a fight with a brain tumor.

Jenice was born in Murray, UT on October 18th, 1973, at the Cottonwood Hospital to her mother, Joette Kalmar, and father, Dennis Wilcox. From the moment Jenice made her way into this world, she was determined on living a good life and was relentless in achieving her goals. Jenice was a firecracker and never settled for less than she deserved. She had a way of stepping into a room and lighting the place up, especially if it was dull. Always the life of the party, she had an infectious laugh and a contagious sense of humor that could make anyone cry from laughing too hard. That heartfelt and enormous laugh, especially with her mom and sisters, always brought light and joy to those who would hear it.

As a youth she was determined to be good at the things she was interested in and succeeded at doing those things. Not only did Jenice have a strong will and bright personality, but she was also incredibly talented with cooking, baking, and gardening, among the other hobbies that she enjoyed. When she was about eighteen or nineteen, she was set up by her nail tech to go on a date with Tye Bennett which was the beginning of a love story that many envy. They were each other's yin to their yang. You could sense how strong their bond was from a mile away. Both very loving and supportive parents, together they raised three amazing children: Easton Tye Bennett, Alex Jenice Bennett, and Jack Bill Bennett.

Jenice is survived by her stepfather, George Kalmar; stepmother, Cheryl Wilcox; In-law's, Ken R Bennett, Jo Bennett, Tamara Coe, and Bobby Coe; siblings: Denette Wilcox, Jake Wilcox, Dustin Wilcox, Rory Kalmar, Katherine Kalmar; stepbrother Adam Olsen, stepsister Jennifer Olsen; In-law siblings, Kresdon Bennett, Mel Bennett, Shay D Smith, and Leroy Smith. She also had many aunts, uncles, nieces,

and nephews who all adored her as well.

Jenice's legacy will live on in the hearts of the many lives she touched. If you knew Jenice, you know that she did not go without a fight and would want us to celebrate her life as if she were still here with us. At a time in the near future, the family will schedule a Celebration of Life to commemorate Jenice so we can recall all of our fond memories that we will cherish together. Once those details are finalized the family will release info through various social media channels and word of mouth.

Alan Wortham lit a candle in honor of Jenice.

I met Jenice when I was working for a glass company out of Ogden. She was always willing to listen to and share stories with me. She was well respected by her co-workers and peers and treated each customer like they were the only ones in the office. She always made time to talk with me, regardless of how busy she might have been. We talked about getting together with our significant others and riding to some (to be determined) destination. I lost touch with Jenice when I made a job change, and I missed my friend. Then I saw a social media post that she and Tye had some adorable puppies that were ready to be homed. My wife and I went to see them just before Christmas and Tye told me of the challenges they were enduring. I was stunned to learn that her battle had begun just after the last time we had spoken. My heart hurt for them and I wished them the best with hopes of finally getting together for some riding in the spring. I was brought to my knees when I learned of her passing and I wept knowing that the world had lost such a beautiful soul. Jenice will be missed deeply by all who knew her. I am grateful to have known her and that I have one of the puppies to keep her memory fresh in my heart and mind. Every time I see my Daisy, I will think of Jenice and Tye. We will get some rides in this year and I know Jenice will be with us in spirit. Jenice, you may not be here in person, but as long as you live in our memories, you are with us.

I became friends with Jenice and Tye in the funniest of way, as we ended up neighbors and at the time just new each other as passing and chatting as we sat on our patios, and there oldest son Easton getting all my good snacks from my wife. And then one day I went out to my car and on damn near every panel what do I see Easton Bennett carved into the paint 🤔 as I pondered what to do I went up the there door and said hey I don't want to accuse your son but do you mind coming to look at my car? Tye looks and with his sense of humor says yup looks like his hand writing. Lol And from that moment we were no longer neighbors but now friends. As time went by Jenice and my wife at the time got pregnant a month apart and so we hung out and got closer through them going through pregnancy together. So further into we became direct neighbors living door to door and my son would knock on there door speak some gibberish and walk past Jenice and act like he ran the joint and Jenice would laugh chat with him and give him a snack and let him chat at her. Jenice had the biggest heart and a lively spirit and boy could she cook!!! She will be missed but forever in our hearts!
