Max Brent Watson

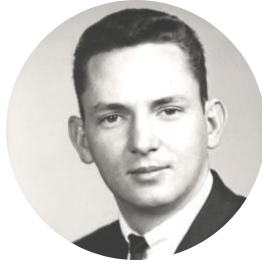

AUG 12, 1937 - FEB 15, 2022

Our kind and loving brother, father, and grandfather Max Brent Watson returned into the loving arms of our Heavenly Father at the age of 84. He passed away peacefully in his sleep due to natural causes on February 15, 2022.

Dad was born August 12, 1937 in Salt Lake City, Utah, to Castle James Watson and Thelma Fern Anderson. He is survived by his sons Skyler Watson, Travis Watson (Adriane), and Ben Watson (Aimee) and his daughters Monica Watson and Shaundi Woolley (Spencer). He deeply loved his grandchildren and beamed with pride when talking about them. His dear grandchildren are Tristan (Ryann), Keaton, Madalyn, Austin, Makinlee, Madison, Jaron, Evelyn, Lillian, Amaya, Kelton, Scarlett, Paxton, and even a great grand-daughter Mia Rose.

Dad graduated from South High School in 1955. Following graduation he proudly served in the Air Force, faithfully served a mission for The Church of Jesus Christ of Latter-day Saints in the Northern California Mission and graduated from Brigham Young University. He was a Cougar fan through and through and held season tickets to the football games for many years.

He will be remembered for his contagious laugh, fabulous dancing, generosity toward others, and for the never-ending love he has for his family and posterity.

We love you dad and will be excited to see you again as you would say "On a more glorious and exalted sphere!"

Uncle Max was at the heart of many wonderful memories. We had snow ball fights with him as little kids, and family Thanksgiving and Christmas get togethers at his house. For years he picked up day old loaves of bread and pasteries from Harmon's which he then distributed to the needy and homeless. Max and I had many lunches at Chuck-A-Rama, a favorite location for him. We would talk for hours about religion, politics, talk radio and family. Max always up-dated me on each of his kids, and say over and over how proud they made him and how much he loved them. I will miss you Max, until I see you in the next life and hear your unforgettable laugh and see your smiling face again. -Martin Tanner

I haven't spent time with Max for a lot of years but I have very fond memories of him. He was always such a good host when we came to stay. He always took such an interest in my kids. I loved his funny laugh. He made his back yard into such an interesting , fun place for his kids and others. Rabbit pens, a fun two story playhouse. My family all have very fond memories of Max. We can look forward to eternity. That is such a blessing. I love you all!
